Dear Sir or Madam,

Kennesaw Mountain High School has a long tradition of fostering pride and success in our student athletes. Over the years, a large majority of that support has come from corporate sponsors like you who want to see our student athletes excel both on and off the court.

This year is no different than any other year for our program except for the fact that funding is become increasingly more difficult to obtain. We hope you will consider making a contribution to our basketball program so we may continue competing in the highly competitive Region 4 - AAAAA.

This year four levels of corporate sponsorship are available. In return your company will receive advertisement in conjunction with the appropriate corporate sponsorship level listed below.

- **Platinum \$500** – Your company is highlighted on the KMHS marquee sign for 1 week, your banner is displayed around perimeter of gym at all home games, your company name is listed on website as sponsor with link to company website.
- **Gold \$250** – Your banner is displayed around perimeter of gym at all home games, and your company name is listed on basketball website as sponsor with link to company website.
- **Silver \$100** – Your company name is listed on basketball website as sponsor with link to company website.
- **Bronze \$50** – Your company name is listed on basketball website as sponsor.

All sponsorship levels, be they big or small, are very important for the continued success of our basketball program. If one of these levels doesn't fit your needs, then by all means please contact us so that we can discuss other possible options.

The Kennesaw Mountain Basketball Program certainly appreciates your thoughtful consideration in helping this program maintain a high standard for our student athletes.

Sincerely,

*Rusty Edwards
President, KHMS Basketball Booster Club*
